

**Ioline Corporation: Statement of Compliance with EUC REACH**

May 1, 2020

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use (EC 1907/2006) entered into force on 01 June, 2007 and phased in until 2018.

In response to environmental guidelines and legislation enacted, Ioline Inc. ("Ioline") has adopted a policy of compliance that all Ioline products do not contain any of the listed SVHC in amounts greater than 1000 ppm as defined in REACH Article 57, Annex XIV.

This letter is declaration that Ioline meets the limitation requirements in the REACH regulations announced by EU effective January 16, 2020. A complete list of REACH SVHC substances is available from the ECHA at <https://echa.europa.eu/candidate-list-table>.

Please direct questions regarding Ioline REACH compliance to the individual listed below.
